

Hospitality Rider

We are six musicians and one sound-techs. If drivers, lighting-techs, etc. join the show, this is discussed beforehand.

Parking close by the venue and accommodation is required for one large band-van (Sprinter).

Backstage:

Thanks for six clean towels.

For the show, we need 6 bottles of flat, non-carbonated water.
Also, non-alcoholic beverages and beer throughout the evening are appreciated.

Food:

We have two VEGAN: NO animal products (without meat, fish, eggs, milk, yogurt, butter, honey,) and derivated products. PLEASE, read "Vegan Passport" file for more information.

Please consider that we might have been on tour for a few weeks already at the time of the concert. Fresh, healthy food will go a long way and help us stay healthy and full of energy for the concerts.

Accommodation:

We need 3 Twin Rooms (separate beds) and 1 single room + breakfast in a nice nearby Hotel.

Please ensure late check-out earliest at 13:00. Thank you.

Band appartements are possible if they are comfortable, clean, individually accessible by each band member and offer a restful and silent night.

I have read this Rider and agree with my signature in all agreements contained. Deviations must be discussed with the address below.
